Deposit product UPCs, beverage caps, and Bonus Certificates “as you go” with the ease of our year-round banking program! You can make multiple deposits into your school’s/organization’s account throughout the year. It’s just like a regular savings bank! Here’s how it works:

1. Set up your school’s/organization’s bank account by calling 1-800-424-5331 (8:00 a.m.-5:30 p.m. CST) or visit labelsforeducation.com to enroll online.
2. Submit product UPCs, beverage caps, and Bonus Certificates for a deposit anytime during the program year from August 1, 2009, through June 1, 2010. The “banked” point value will be deposited into your school’s/organization’s bank account and reflected on your statement (see Paragraph 5 below).
3. As long as Bonus Certificates are received by Campbell before the expiration date stated on the certificate they will be accepted for deposit into your school’s/organization’s account.
4. When making a banking deposit, you must follow the Submission preparation Instructions in this catalog for packing and submitting UPCs, beverage caps, and Bonus Certificates.
5. Deposits will appear in your school’s/organization’s account approximately 14 business days after receipt of deposit. You will receive a deposit receipt for your records by mail within four weeks after receipt of deposit. You will receive an email confirmation of your deposit if a valid email address is provided. Make sure you keep receipts to verify your account balance. Please check your account statements, available online. Statements will be mailed at the end of the program year. Participating schools or organizations are responsible for checking the accuracy of the banking statements for their account. If you believe there is a discrepancy in your statement, you must write us at the address in Paragraph 15 from the Rules for Participation within 90 days of the first statement that contains the discrepancy in question. Effective only for points deposited on or after August 1, 2009, accounts that have had no deposit or withdrawal activity for three consecutive Program years will forfeit any points deposited in their account after August 1, 2009 on the first day of the fourth Program year. Points deposited before August 1, 2009 will remain in the account as a balance.
6. Check your school’s/organization’s account balance online at labelsforeducation.com. Use your account number and personal password to protect and access your school’s/organization’s account records.
7. Account withdrawals will be made when placing a merchandise order. Withdrawals from your school’s/organization’s bank account must be accompanied by a signed **Labels for Education**SM Order and Banking Form submitted by your school’s/organization’s authorized **Labels for Education** coordinator. You can use your banked point value or submit any combination of participating product UPCs, beverage caps, and Bonus Certificates along with a bank account withdrawal when ordering merchandise. Merchandise orders can be placed online by using any portion of the school’s/organization’s existing account balance at the time of online order submission. Online merchandise orders will be accepted only if the school’s/organization’s bank account balance covers the total amount required for the merchandise order.
8. Send all deposits to:
